L.G. P.O. Record L.G. School Budget To Await Salary Negotiations (Officially)

Lemon Grove will have a new Post Office.

It was officially announced this week by Postmaster General Lawrence O'Brien. This newspaper announced it early in April.

O'Brien said President Johnson asked him to exercise frugality in deciding needs. It was on that basis that the LG facility was stamped O.K.

The new building will be on the north side of Broadway adjacent to the U. S. National Bank.

The Postmaster General said the building will be constructed under the Department's Lease Construction Program, thus keeping it on the local tax rolls. The government's capital investment will be limited to postal equipment.

Plans and specifications for the new building, as well as bidding forms and other pertinent data, will be made available to prospective bidders at an early date, at which time the Department will advertise for bids.

The site option will be as signed to the successful bidder, who will purchase the land, construct the building and lease it to the Department.

Lemon Grove property owners face the impact of a full 30c permissive tax override to meet the mounting costs of the elementary school district.

Requests by teachers and by classified personnel at Monday evening's board meeting would boost last year's expenditures almost \$86,000 and bring the budget to a record \$2,109,000.

The budget is in its preliminary stages — and so are negotiations on salaries. The eventual cost and the resultant tax bill will be determined when negotiations on salaries are complete and other expenditures budgeted. Salaries represent 90% of the budget, however, it was pointed out Monday by Byron Netzel, district superintendent.

The 30c tax override, which may be invoked without an election, is used by elementary districts to cover the rising costs of operation. Business manager Paul Reynolds said that 11 1/2% of the 30c is already budgeted.

Netzel said the remaining 18 1/2% would not cover the amount of the salary increases. Additional budget meetings will be held to consider what to do about the requests and how to

raise whatever funds necessary to meet the added costs.

At the meeting Monday, Harry Weisgerber, chairman of the teachers' negotiating committee, set the keynote by reporting that pay schedules had not kept pace with the 3% annual increase in the cost of living.

"Teachers in Lemon Grove," he said, "contribute more concern for children. We call it morale. The fact that no psychiatrists are employed by the district is a case in point." Low turnover, he said, reflected the attitude of teachers for the district. Weisgerber said professional treatment by the admin-

istration also contributed to the turnover quotient.

Bob Offord, chairman of the teacher's salary committee, said that a teacher could earn \$20,000 more in a 20 year span by teaching in Chula Vista. He asked the board to increase all teachers one step and put the summer school program on a "package" rather than a hourly basis. The pay boost would be \$65,430. Summer school teachers would be \$2,500. 736 teachers are involved overall.

Alma Hogan, representing classified personnel, asked a 5% increase for the 88 people in this category.

Further study will be given these requests as the board works with the budget.

In another action, the board agreed to re-hire all personnel for the coming year.

The board noted that Superintendent Byron Netzel would soon mark the anniversary of 25 years of service to the district "making him one of the oldest living superintendents in the county — in point of service," said board president Lyle Lumbaur.

Netzel's acknowledgement, the board decided to renew Netzel's contract for four more years — and to negotiate his salary later.

San Miguel PTA Contributes To Memorial Fund

The executive board of San Miguel PTA has approved a contribution of \$25 to the Alpha Delta Kappa Sorority Educational Loan Fund in memory of the late Mrs. Hazel Jensen, who taught at San Miguel.

The fund is a continuing one and provides interest free loans to senior women students who are majoring in education. All contributions are deposited in Mrs. Jensen's name and a permanent record of them is maintained, according to Mrs. Verma Quinn, fund publicist.

Persons interested in making a contribution are requested to contact Mrs. Quinn at 582-5821 or Mrs. Betty Halley at 469-0095.

FREE CAR — This 1960 Studebaker will be given away during Lemon Grove's annual Old Time Days celebration. Here, Lloyd Fish, owner of D&L Car Corral, 7280 Broadway, hands car keys to Miss Lemon Grove, Linda Broadway.

Teevee Programs To Spark 'Old Time Days' Events

Two television programs will spark "Old Time Days" scheduled for May 19-20 and 21, it was learned this week.

Starring on teevee programs will be Dr. Sam Smith, chamber president, and a group of chamber supporters.

On channel 6, this week on Thursday, Dr. Smith, Bob Browne and Al Woods will be on "Coffee Break" at 9:25 a.m.

Dr. Smith, Linda Arthur, who is Miss Lemon Grove, and Clarence Scheidle, local spokesman for old time groups, will be on channel 8's "Sun-Up" May 21 at 7:55 a.m.

Highlights of the 3-day event is a parade on May 21 at 11 a.m. featuring a 30-car caravan of old time autos of the Antique Automobile Club of America and the Horseless Carriage Club of San Diego.

A special edition newspaper will be circulated as part of the promotion. Hundreds of bargains will be advertised in it to attract shoppers to the local business district. A number will be printed on the front page of each publication. The person having a matching number will win free merchandise, or spectacularly low priced merchandise if his number matches that posted in participating merchants' stores.

A color teevee set for \$75 is one prize. In another contest a auto will be given free. Hundreds of other prizes will go to matching numbers. Merchants may be identified by an orange and black placard in their windows.

The parade will consist of 12 units with Governor candidate W. Earl Smart as marshal. Supervisor Henry Boney and Miss Lemon Grove will also occupy places of honor in the parade.

A \$10 prize will be given to the person with the best costume in the parade. A reviewing stand is being erected in the Mayfair parking lot and a group of dignitaries will be introduced there. Background music at the reviewing stand will be provided by Smitty's Dixieland Band.

Lemons are still needed. Bob Browne, chamber vice president, is requesting local lemon growers who want to contribute to chamber activities, to make lemons available for dressing a float. He may be contacted at 469-2144, or through the Golden Avenue School. All chamber office at 469-9621.

Broadway will be blocked off from 10:30 a.m. 'til 11:30 from Massachusetts to Kempf with the units of the Sheriff's Reserve leader. Questions concerning child rearing will be discussed. Patrol controlling the traffic.

Variety Program For VLM PTA Meet

Vista La Mesa PTA will offer a wide variety in its program at the regular meeting tonight at 7:30. The highlight of the program which will be held in the VLM Cafeteria will be the school chorus. These are 5th and 6th grade students singing and playing the autoharp under the direction of Miss Joan Wittrock, 5th grade teacher at Vista La Mesa School.

Also featured on the program will be an enthusiastic report of the State PTA Convention held last week in San Francisco. Installation of officers will follow.

After refreshments, members and guests are invited to stay and watch pictures taken of various school and PTA activities during the past school year.

Golden Ave. PTA To View Film

The Golden Avenue Elementary School PTA will hold its monthly meeting today at 1:30 in the school cafeteria.

Following the installation of the 1966-67 slate of officers, Earl Homuth of the Sierra Club will present a film and commentary on the state Parks of California. Child care will be provided.

A parent Study Group will be held May 17 and 24 at 7:30 p.m., according to Mrs. Jo Smith, Parent Education chairman for Golden Avenue School. All interested parents are invited to attend. Dr. J. Edward Olin, of the San Diego County Psychiatric Hospital will be the leader. Questions concerning child rearing will be discussed. Patrol controlling the traffic.

Men's Club To View Parade Film

The Lemon Grove Men's Club will view the official 1966 Rose Parade Film Friday at a noon luncheon meeting at the Brunswick Bowlero, 7065 Broadway, Lemon Grove.

Club member A. E. Bob Howell, veteran horseman and Rose Parade performer, will show the film of the 1966 event.

Last week's speaker was Mrs. Eleanor Anderson, former mayor of Chula Vista and candidate for the Republican nomination in the 77th Assembly District.

She told of the growth of the South County area and the problems of identification.

"The area is going to continue to grow. Our industrial plants in the South Bay are gaining more contracts all the time. The addition of a desalination plant will bring scientists into the area. These new residents will be fanning out into surrounding communities, including Lemon Grove," Mrs. Anderson said.

She mentioned the problem of directions to Lemon Grove from State 94. "There is no mention of Lemon Grove, distance or direction, on the highway signs coming out from San Diego. Only until you are almost upon Lemon Grove itself do you notice any mention of it."

The Man From Uh Hunh-or-Big Papa Likes Big Districts

(Ed's. Note. A semi-anonymous writer submitted a "drama on unification." As it is with his byline, the names of the players are fictitious. We suspect Big Papa Uh Hunh might be Assembly Speaker Jesse Unruh. Guts O'Brady could be Lt. Governor Aspirant Tom Braden, and Chief Standing Pat, who else but Gov. Pat Brown?)

by Byron O'Lynn
Scene: Sacramento — Hotel Senator Lobby
Time: Late Spring, 1966

The Cast: Three prominent political figures: Big Papa Uh Hunh, Guts O'Brady, Chief Standing Pat

Chief Pat: We plan to spend \$1,600,000 on schools in California next year. With that much money supporting schools, I'd like to know how all these schools will be organized and who's going to run them.

Big Papa: With that much state money, the state should be in the driver's seat. I introduced a bill a couple of years ago that would have set up one school district in each county. I figured it would be easy to watch just 58 school districts and their boards.

Guts O'B: Yes, but look what happened to your bill.

Big Papa: Yeah, I know... school board members from all over the state came up here screaming about local control, and I had to withdraw the bill. Those board members can make an awful racket. There are too darn many of them....

Chief Pat: But they're the elected representatives of the people....

Guts O'B: But they make too much noise. Who asked their opinions?

Chief Pat: What did you do next, Poppa?

Big Papa: I had to settle for a law that will unify districts based on high school boundaries. We'll still get a lot of big districts that way and cut down the number

NEW PRESIDENT — Mrs. A. L. Bolshazy presents gavel to Richard E. Seymour, new president of the St. John of the Cross School Parent's Guild. Mrs. Bolshazy's term of office as head of the parent-teacher's group will end this June. Seymour, a resident of La Mesa, was installed along with other officers for the 1966-67 school term Tuesday evening at St. John of the Cross Hall.

Candidate Wants Facts On Del Mar Murders

"Is it safe for the people of San Diego County to go to sleep at night?" asked Stephen L. Gardella, campaigning for the office of Sheriff. He asked the question at the Presidio Optimists Club Wednesday.

"Citizens of San Diego County need a Sheriff who can provide them with the protection they deserve and one who makes public announcements of the progress made when a crime has been committed," he said.

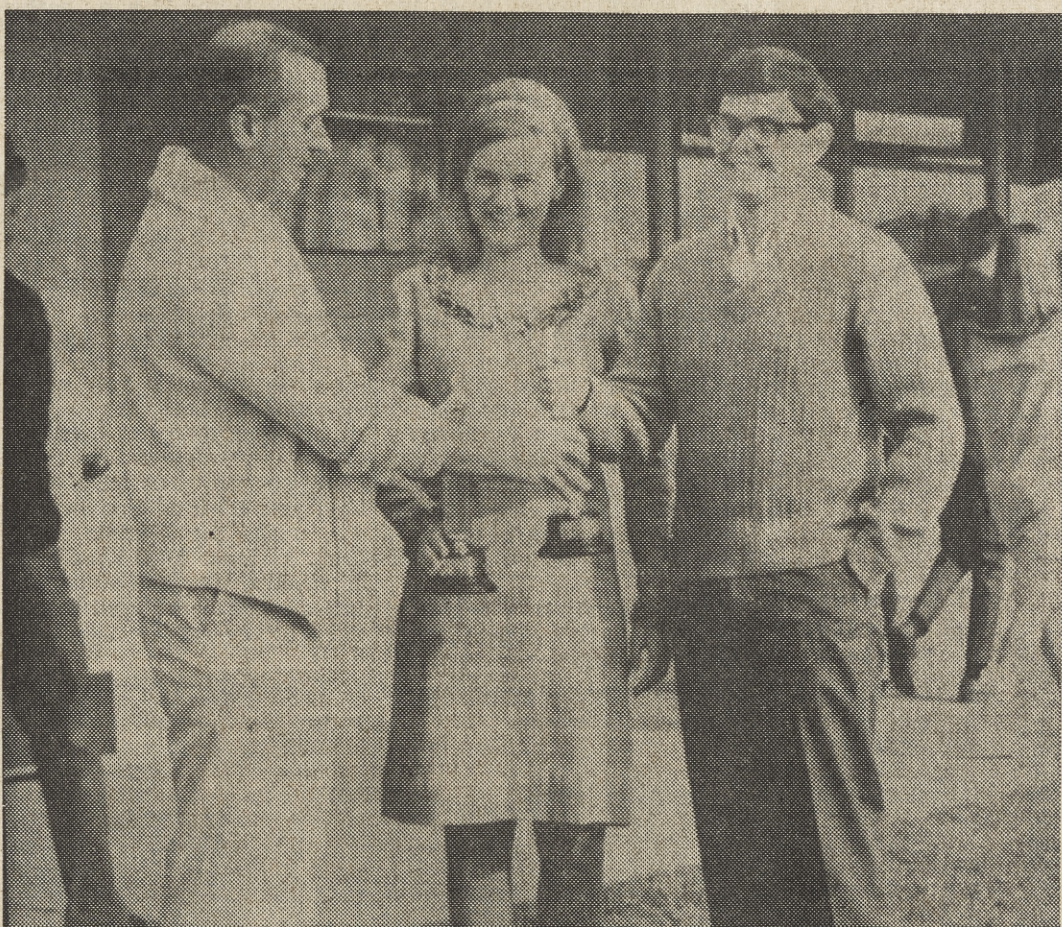

He accused the incumbent of withholding information from the public on cases now on the books.

"An effective and intelligent community is a community that is aware of the facts of a case, not 'glittering generalities' or promises made to in-

sure re-election and which can't be backed up with action. "On March 22, a homicide was committed in Del Mar, Calif. The victims were Mr. and Mrs. E. W. Johnson. On Monday, March 2, in the San Diego Union, Sheriff O'Connor told a reporter, "A solution to the bludgeoning slaying of Mr. and Mrs. Edward W. Johnson is virtually assured...."

"Since that statement was made there has been little or no information from the Sheriff concerning the apprehension of the murdered. It appears that this is another example of misrepresenting facts by the incumbent. I challenge Sheriff O'Connor to reveal to the public, the facts concerning the 'virtually assured' solution of this crime," Gardella said.

Hostesses will be kindergarten and first grade mothers.

STATE WINNERS — W. R. Sanders, Mount Miguel High speech coach, presents trophies to his two national speech contestants, Marsha Johnson and Pat Mills. The latter finished first in boys extemporaneous speech while Miss Johnson with girls impromptu champion. Over 1200 students competed at the

State Speech Tourney held in Santa Barbara. Miguel was fifth overall in the competition among schools. Other finishes for Miguel were a 21st in dramatic interpretation by Donna Duschel, a 22nd in girls extemporaneous by Les Rex and a 26th in boys oratorical interpretation by John Winbury.

Davis Bill Hits Snag

Several weeks ago we became excited about a possible new Bill that would do more for overcoming discrimination than anything since the Civil War.

The Bill, which we heard about through our cloakroom operatives, is called the Davis Bill. It would cancel federal financial support to any project on which there was craft union discrimination. This is important because few big and important construction jobs today are undertaken without federal funds for financing a major portion of them.

In a word, it puts the onus of responsibility where it belongs. Many, many craft unions have less than 1 per cent Negro membership although the nation's Negro population is about 15 per cent.

The Davis Bill would have required a working-membership ratio equal to the population. Less than that and the federal spigot is turned off. And it would stay turned off until the union, or a replacement union, met the criteria.

We think the idea was a good one.

But, alas, the Bill died abominably. From the other end of the cloakroom we learned that the Davis Bill has been withdrawn.

Temporarily, we hope.

Mass Transit Demand Illusory

Who needs mass transit? Fewer and fewer people, according to a study published recently in the Santa Monica Evening Outlook.

Louis E. Keefer, a transportation planning consultant, reported in that newspaper a few weeks back that the demand for mass transit is almost entirely illusory. The promoters, says he, are the professional critics, planners, politicians, and downtown interest, to name a few. Emotionalism of the old-time "trolley car togetherness" impels some supporters. Politicians urging mass transit see themselves as a knight in armor supplying mobility for a large segment they image to be poor and destitute. A rider is a voter by this philosophy. Keefer concedes, however, that transit:

can carry more people past a given point in a given period of time than a freeway can — provided the demand is there; can provide high speed — if the routes are grade separated — and if stops are far enough apart — and if travelers live or work within a few minutes of these stops;

can provide comfortable rides — if the rider is unencumbered with shopping bags, brief cases or babies, and can be automated — if engineers are commissioned to do so.

Keefer makes the opposing point that these conditions do not exist and that people do not want to travel collectively.

They want to use their own cars. Rapid transit, he argues, will not cure us of tolerating the incredible 50,000 highway deaths a year; or of the insupportable and dangerous strip development superinduced by our auto-dominant society; or the killing noise and noxious fumes, or the wasteful congestion of crowded cities.

These conditions would continue regardless of the scope or quality of mass transportation. People would still use their cars. Cities should devote energy to making parking plentiful, convenient and cheap, he says.

Transit ridership has decreased greatly during the past decade in every urban area. Transit systems did not deliberately try to cause the decrease; so poor or irresponsible service is not the cause.

Decentralization, and the fact that nearly everyone has access to a vehicle have a great effect on transit falloff.

Since we are going to have traffic messes, poor and expensive parking, and other ills resulting from citizens wanting to pilot their own cars, should we pour millions into mass transit then operate it at a loss of more millions, asks Keefer.

The loss of the New York Transit Authority is about \$60 million yearly — enough to pay taxi fares for every noncar owner for every necessary trip. Maybe the funds could be better used for providing such families with used cars, he suggests.

Keefer warns that the same problems will exist if newly instituted mass transit fails to generate predicted patronage. One "solution" might be to limit each city as to size. It is being

NEW MINISTER — Rev. H. C. Payton of Lovington, New Mexico, has taken over the pastoral duties at Fairhaven Baptist Church, 2115 Imperial Ave., Lemon Grove. Rev. Payton has pastored churches in New Mexico, Arkansas, Oklahoma, Idaho, Oregon and California. His first pastorate was in Laguna Beach, Calif., in 1937. Rev. Payton is married (Stella) and has four children none of whom is living at home. He succeeds Rev. Robert Seago, who resigned to taken another position in January.

Mortals and Immortals Is Sunday's Subject

"Mortals and Immortals" will be the subject at Christian Science church services this Sunday.

Golden Text: "As we have borne the image of the earthy, we shall also bear the image of the heavenly" (I Corinthians).

Included in the Lesson-Sermon will be Jesus' statement to Nicodemus: "That which is born of the flesh is flesh; and that which is born of the Spirit is spirit. Marvel not that I said unto thee, Ye must be born again."

And from the Christian Science

textbook: "We must reverse our feeble flutterings — our efforts to find life and truth in matter — and rise above the testimony of the material senses, above the mortal to the immortal idea of God — It is only by acknowledging the supremacy of Spirit, which annuls the claims of matter, that mortals can lay off mortality and find the indissoluble spiritual link which establishes man forever in the divine likeness, inseparable from his creator" (Science and Health with Key to the Scriptures" by Mary Baker Eddy).

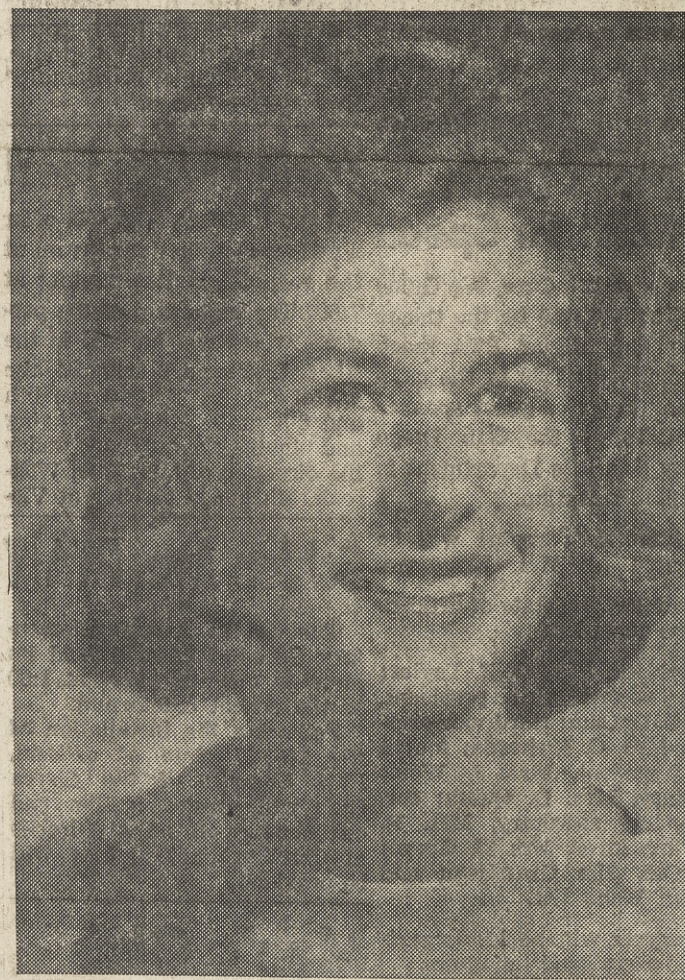

Festival of the Madonna To Feature World Art

The "Festival of the Madonna" will be held at the Old Franciscan Mission of San Luis Rey, Saturday and Sunday, 11 to 5.

The Festival will feature unusual works of Madonna art gathered from many countries around the world. Various original creations of distinguished artists, and prize Madonnas from collections of private individuals will be shown. The

public is invited. Admission is free.

Notables exhibiting in this years Festival include James Francis Cardinal McIntyre, Archbishop of Los Angeles, Bishop Francis Furey of San Diego, Mr. and Mrs. Bing Crosby, Rosalind Russell, Mr. and Mrs. Bob Hope, Irene Dunne, Mr. and Mrs. Dean Martin, Mr. and Mrs. Wm. J. Doyle of La Jolla, and many others.

ENGAGED — Mr. and Mrs. John Taylor of 2748 Skyline Dr., Lemon Grove, announce the engagement of their daughter, Sandra Lee, to Hoyt Wilson, Jr., son of Mr. and Mrs. Hoyt Wilson of Nankin, Michigan. Both Miss Taylor and Mr. Wilson will graduate from Stanford University in June. The wedding will take place Sept. 10.

It is easy to thank someone — husband, wife mother, father — for something they have done for us. It is harder to thank them for being themselves. With God, too, it is easier to thank Him for blessings and answered prayer, harder to thank Him for being God and being present. Thanking God for being God is worship. The best place to do it is in your Church, this Sunday.

Miss Marugg To Wed William E. Porter

The engagement of Miss Alice Mae Marugg, daughter of Mr. and Mrs. John H. Murphy, 9020 Christiana, Spring Valley, to Mr. Stephen Linn Porter, 7809 Lansing, Lemon Grove, was announced at a party in the home of bride-elect's parents.

Miss Marugg is a senior at Mt. Miguel High School where the chosen bridegroom received his diploma. He is now a student at San Diego City College. No wedding date has been set.

Fasten your seat belts every time you drive or ride in your car, urges the Allstate Motor Club. At least 5,000 lives could be saved a year and serious injuries could be reduced by one third if everybody used seat belts.

Mrs. Sanders Dies in Texas

Funeral services were held Tuesday in Dallas for Nellie S. Sanders, 85, who lived in Lemon Grove from 1946 to 1962. She died at the home of her son T. S. Sanders Saturday after a brief illness.

Mrs. Sanders was a member of the Forward Club and had a large circle of friends in that organization. The Forward Club later became the L. G. Woman's Club.

She is the mother of Jack Sanders, the Lemon Grove hardware store operator who died in 1962. Soon after his death Mrs. Sanders went to Dallas to live with her other son. Jack was survived by his widow, Eliza, who is now Mrs. Joseph Troxel.

Mrs. Nellie Sanders came to Lemon Grove from Aurora, Ill. She is survived by her son with whom she had been living, and five grandchildren including Jack Sanders and Mrs. Sharon Stifter, both of Lemon Grove.

SD Chapter of Cystic Fibrosis To Begin Annual Fund Drive July 1

The San Diego Chapter of the National Cystic Fibrosis Research Foundation will launch its annual fund drive July 1, it was announced Wednesday.

Mrs. John Gill, chapter president, said workers have set a \$31,000 goal for the month-long drive which will be culminated by the "Children's Hour" on Aug. 1.

More than 4,000 volunteers will make a house-to-house appeal on that date to raise funds to combat cystic fibrosis, she said.

A major share of the funds will go to the National Foundation to help support a network of 35 regional cystic fibrosis care, research and teaching centers throughout the country.

Mrs. Gill said the foundation is studying possibility of opening such a center in San Diego when the University of California at San Diego medical school gets into full operation in 1970.

Cystic fibrosis, or C/F, is believed to be caused by a missing or defective enzyme. The result is that the body produces ab-

normally salty sweat and a thick gluey mucus which clogs air passage in the lungs and interferes with digestion.

Specialists estimate that one child in every 1,000 is born with cystic fibrosis.

The disease, earlier thought to be rare and always fatal, is now known to be one of the most common serious chronic diseases of childhood. With earlier diagnosis and treatment, however, many C/F youngsters are growing into adulthood.

Mrs. Gill said a portion of the funds raised during the campaign will support local activities throughout the year. Among them are: A limited clinic at Children's Hospital where suspected C/F cases are diagnosed and specialists are consulted on treatment of confirmed cases; and "equipment bank" of special equipment such as mistagen tents, portable face masks, compressor motor outfits, and positive pressure units used with oxygen for aerosol treatment at the child's home. This equipment is loaned to C/F parents; assisting families in the purchase of expensive drugs prescribed for the treatment of the disease, and providing educational programs on the problems and significance of C/F.

Spring Fair of Modern Home Ideas Scheduled For Community Concourse

The 29th Annual Spring Fair of Modern Home Ideas will be held, free to the public, in the Community Concourse in San Diego, May 20 through May 25, it was announced by J. Clark Chamberlain, show manager.

The free show will be presented, as in the past, by the Bureau of Home Appliances of San Diego County, of which Chamberlain is secretary-manager. Henry Mumma is president of the Bureau, and Lee Bornstein will be show chairman.

The Bureau with nearly 400 business firm-members, is now in its 34th year, and sponsors two free shows annually — the Spring Fair of Modern Home Ideas, and the Electrical and Home Appliance Show in the fall.

The upcoming show will feature a variety of exhibits in the field of home appliances, and related items, including all major appliances, television, stereo, electric housewares, air-conditioning, heating, lighting, garage door openers, sewing machines, pool heating and filtering, barbecues, etc., said Chamberlain.

A special feature of this show will be patio gardens, being developed through the cooperation of the San Diego Gas & Electric Company. The outdoor living exhibits will be highlighted by the spectacular "Flaming Fountain," which will operate continuously during the show with gas flames burning through the

NEW OFFICERS — The Lemon Grove Business Women's League will install officers at a dinner at 7 p.m. May 19 at Monte Vista Lodge. Pictured above are: recording secretary Helene Norman, president Esther Jobe, vice president Ruth Willingham, past president Mary Vlach, treasurer Irene Easley and corresponding secretary Doris Chappelle. At the dinner, outgoing president Gerry Antonette will present new members Peggy Gailman, Matayann Neville and Eva Merrill.

Kindergarten Roundup Corrals L.G. Toddlers

Several hundred innocent, unsuspecting Lemon Grove youngsters, who have been enjoying sunshine and complete freedom from classes and books are presently being roped and branded in preparation for at least thirteen years of formal education under California's laws.

The annual "Kindergarten Round-Up" for Lemon Grove schools began Tuesday at three of the district's six elementary plants. This registration helps schools estimate the number of kindergarten children who will enroll in September.

Parents are requested to check schedules carefully to avoid unnecessary delays or return trips. Resident in doubt of the school in which children should register may call the Lemon Grove Education Center, 169-4134, for this information.

San Miguel school will hold its registration Friday 8-11 a.m. and 1:30-4 p.m.

San Altos, Golden Avenue and Monterey Heights held their registration Tuesday while Vista La Mesa and Mount Vernon registration was Wednesday.

Children born on or before Dec. 2, 1961, may legally be enrolled for the 1966-67 term. A birth certificate, sworn baptismal record, or similar proof of date of birth must be presented at time of registration. Parents are also reminded that children must be immunized against polio before they may be enrolled in September.

At the time of registration at most schools, appointments may be made for pre-school vision and hearing tests.

Legislation Could Cut Postal Costs For Lemon Grove Residents

Residents of Lemon Grove would save thousands of dollars annually on heavier packages under parcel post reform legislation pending in Congress, Postmaster F. R. Faucher said today.

The saving could be \$2 to \$3 a parcel or more, he explained. Equally significant, Postmaster Faucher said, there are many instances where mailers decide not to send such parcels at all, with resulting losses of much business by the Lemon Grove Post Office.

Postmaster Faucher's report was based on a new analysis of parcel post reform legislation, H.R. 12367, sent to him from Washington, D.C., by president James O'Toole of the National Association of Postmasters.

At the same time, the postmaster reported the parcel post reform measure would help the Post Office Department reduce the postal fund deficiency to its lowest level since enactment of the Postal Policy Act in 1958 — from the present \$376 million deficit to \$187 million.

On behalf of the Postmasters Association which has thrown its full support behind legislation introduced at the request of Postmaster General Lawrence F. O'Brien, Postmaster Faucher made these points of particular interest to residents of Lemon Grove.

As a first class post office, the local office cannot accept most parcels of more than 20 pounds or more than 72 inches in dimensions if they are going to another first class post office 150 miles away or more.

Such parcels are sent by private express, at much higher charges, often cost several dollars more than by parcel post.

However, H.R. 12367 would provide new parcel post limits of 40 pounds and 100 inches, with resulting savings for mailers at the Lemon Grove Post Office.

An increase of 14 cents a parcel would be needed to offset the parcel post deficit, but, if H.R. 12367 is enacted into law, a much more moderate increase averaging 8 cents a parcel would be provided, Postmaster Faucher said.

More than 100 smaller size post offices are raised each year from the second class to first class. When they are raised, parcel mailers under the present restrictions must often suffer added costs involved in private express company handling of the heavier parcels.

Residents of smaller post offices enjoy limits of 70 pounds and 100 inches for parcel post packages.

In a typical example, Roanoke, Ala., a second class office, was raised to first class. A parcel of 21 pounds was formerly

Mount Miguel Senior Wins SDG&E Scholarship

Joetta Sue Tenison, 17, a Mount Miguel High School senior, has been named recipient of San Diego Gas & Electric Company's 1936 college scholarship award for children of employees.

She will use the \$600 grant — renewable yearly for four years on the basis of continued scholastic achievement — at the University of California at Santa Barbara. Miss Tenison plans to major in English or biology and expects to make a career of teaching, research or foreign service.

The winner is the daughter of Mr. and Mrs. Ralph Tenison, 711 El Roy Dr., Lemon Grove. He is the stockkeeper for SDG&E's Southern Operation District in Chula Vista.

While maintaining a high school grade point average of 1.678, which placed her 15th in a class of 528 students, Miss Tenison participated in more than 20 school, community and church activities.

Last summer she traveled to Germany as an exchange student in the American Field Service Program.

Miss Tenison is secretary of the Mt. Miguel High School Chapter of the California Scholarship Federation, Associated Student Body commissioner of activities, and is a member of the National Forensic League and Mu Alpha Theta (honorary mathematics club).

Earlier this year she was a delegate to the Governor's Conference in Long Beach and was general chairman of the State Leadership Conference.

Miss Tenison was selected from among 10 scholarship finalists by a committee consisting of Mrs. Margaret D. Olson, of the Francis Parker School; Stanley Jewell, SDG&E vice president-general attorney, and C. P. de Jonge, SDG&E vice president operations services division.

State Gains School Control Under Unification Says Group

Members of Grossmont Citizens for Quality Education were told this week that the merger of the nine elementary districts within the Grossmont High School district would result in higher taxes, and a lower quality of education.

They were also told that the state would assume total control of education eventually, if the districts are merged.

The new group, formed to fight the merger has established a speakers' bureau of 57 persons. The issue is to be voted on in an election June 14.

Named chairman of the group is Bert Mendenhall, a trustee of the Lakeside Elementary school district. Other officers include Ray Kheil, trustee, secretary; Joe Brown, Santee trustee, speaker's bureau; Mrs. Ben Houston, La Mesa, co-chairman speakers' bureau; Gloria Prescott, Spring Valley, publicity chairman, and Charles Smith, Spring Valley, precinct chairman.

At a recent meeting some school superintendents opposing unification had this to say:

"You'll find you are not going to save money by unifying," said Paul Clay, superintendent of Alpine schools at a meeting in Ballyntine School in El Cajon.

"From a financial point of view, it's far more expensive. This has been the experience of newly unified districts. Taxes will not be reduced but greatly increased," said Clay.

On the quality of education, M. R. Kneale, superintendent of Lakeside Schools, said, "There is no factual evidence that a unification of this size will improve the education for the students. Studies have shown that as a district grows beyond the 25,000 size, the efficiency tends to decrease."

"Single district unification is not the real purpose," said Charles W. Skidmore, superintendent of Santee School District. "The aim is a single school district controlled by the state. In time we will be reduced from 1,000 school districts to one."

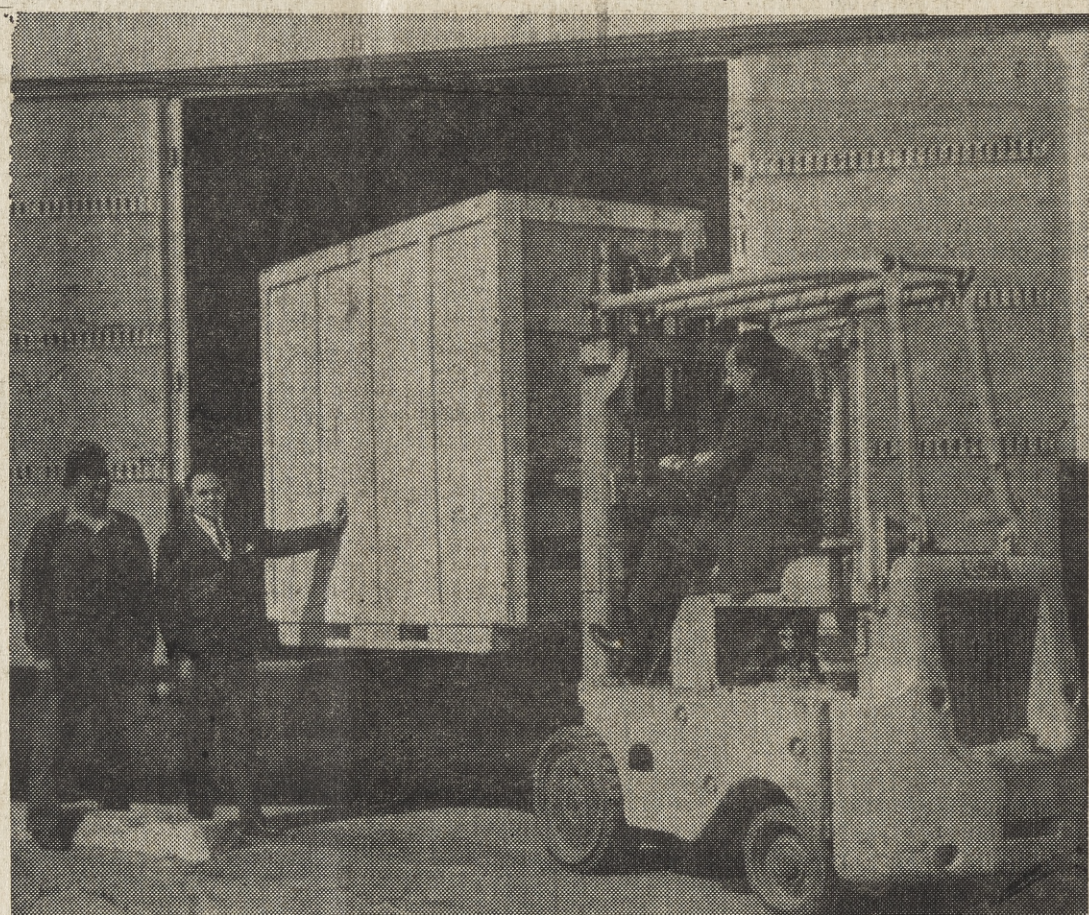

Under the proposed merger plan, there would be more than 50,000 children enrolled in the single district in grades from kindergarten through 12th grade, in an area covering 474 square miles. The district would be represented by only seven trustees.

RAMBLIN' WITH ED LOOP

A little eight or nine year old girl came in our store last week and kind of threw us for a loss. Right now we're not sure where we stand with this kid. She was playing with a plastic adding machine a little too vigorously, so we gently admonished her to be careful. Pretty soon she came up and put a note on the counter and left the store. We got the note and on it she had written, "I'm not going to be one of your customers." We didn't mean to offend this girl, and I guess we didn't really, because she came back a little later and spent a half hour with a notebook copying verses from a lot of Mother's Day cards.

University Mothers To Seat Officers

The final meeting of the school year will be held Thursday this week at 7:30 p.m. by the University Mother's Guild. Rev. Andrew Beckers, Spiritual Director, will offer the Holy Sacrifice of the Mass in the auditorium for the members of the guild.

Immediately following Mass, the meeting will convene with Senior Mothers as Guests of Honor. The agenda will include election and installation of officers for the coming year. Mrs. George Wolfe, president, will officiate at the installation of new officers.

A social hour honoring the Senior Mother's will conclude the evening.

Area Youngsters Score In Show

Four third places were won by area competitors over the weekend in the Fourth Annual La Mesa City-Council Talent Show, sponsored by the La Mesa Recreation Department.

Over 200 boys and girls competed in 16 divisions in the contest held in La Mesa's American Legion Hall.

Local winners were: Steve Dumond of Spring Valley in Tiny Pee Wee tapdancing, Spring Valley's Debbie Fisher in hula and Amy Jordan of Lemon Grove in vocal and Pee Wee novelty.

A man, 6 foot tall, between 25 and 29 years of age, should weigh 172 pounds.

Charles Mosse To Be Feted

Charles Mosse, a counselor at Mt. Miguel High School, is among 23 educators in the county nominated for awards by the San Diego County Teachers Association.

The awards will be presented at the first Honors Banquet to be held Saturday night at the Kona Kai in San Diego.

Mosse is a member of the Grossmont Union High School District Teachers Association and has been nominated for Educational Public Relations Achievement.

The event is designed to bring public attention to the work of classroom teachers throughout the county who have made major contributions to programs of their professional education associations.

Wallace Jamie, public relations director for the Carnation Company in Los Angeles, will be master of ceremonies for the program which will feature the naming of "Who Award" winners.

FINAL LECTURE

Dr. Jonas E. Salk, director of the Salk Institute for Biological Studies, will give the final lecture of the current San Diego Open Forum series, Sunday. He will speak on "Biology and Human Life," at 8 p.m., in the auditorium of the First Unitarian Church, 44190 Front St.

Collegians To Begin Workouts

The La Mesa Collegians, a member of the California Collegiate Base all League, will begin practice May 18 at Helix High School.

Returning players from last year's club will number seven, including pitcher Ron Dargo, outfielder Steve Radulovich and shortstop Tommy Thompson.

Others expected to join manager Hal Doerr and coach Skip Fenn for the 7:30 p.m. workout are catcher Bob Conen from San Diego State College, pitchers Tom Lean III and Al Layton from Grossmont College, outfielder Jim Nettles from San Diego State and Bill Carroll, Mesa College third baseman.

Also second baseman Jerry Davanon of Westmont College and Ralph Stewart, who is hitting .412 at Midland College of Nebraska. Stewart, a La Jolla High product plays first base and the outfield.

General manager Tom Lean Jr. said he expects approximately 35 players to check in before the CCBL gets under way June 15 when La Mesa hosts San Fernando Valley. The Collegians will carry a roster of 18 players.

Two Teams Top League

The Colts and Lions remained undefeated in Valley de Oro Little League play last week as both clubs whipped two opponents.

Colts stretched their mark to 4-0 by blanking the Cubs, 5-0, and clipping the Rams, 7-5.

Lions downed Yankees, 13-0, and Dodgers, 5-0, to also push their mark to 4-0.

In third place are the Dodgers. They nipped the Rams, 8-7, for their win last week.

Kimbrell After Third Main Event Win

Tex Kimbrell of Imperial Beach will be seeking his third straight Super Stocks main event win Friday evening when Cajon Speedway kicks off another weekend of racing.

Kimbrell, defending track champion, has taken advantage of bad luck on the part of drivers Dick Guest and Rudy Skuija in posting the two victories.

Guest was taken out of the race in a two-car smash-up opening night and Skuija lost a

transmission last weekend. Both were leading at the time of their mishaps.

Lemon Grove's Jim Hitt set a track record for one-lap fast time last week.

Saturday night the Modified Sportsmen will have it again and Spring Valley's Lee Robinson will seek a repeat of his opening main event win in last week's program.

Racing will start both nights at 8 p.m. with qualifying preceding night and Skuija lost a

In a generation, older central cities will be cleared and rebuilt wholesale at lower densities in the center and with more decentralization than today, it is believed.

In short, the present patterns of development will continue and intensify, making an even greater reliance on the automobile and less on transit.

Concludes Keefe, "there is some real demand for transit, and it should be provided for."

"But," he said, "about two-thirds of the apparent demand has simply been invented."

Grossmont College Host To Combat Pistol Match

Grossmont College will sponsor the Second Annual Involuntary National Combat Pistol Match to be held this Friday and Saturday at the Conair Range, Gillespie Field.

The match, which is open to all college students majoring in Police Science or Applied Criminalology, is being hosted by the college's Criminalology Club according to Vince Alfaro, faculty advisor for the club.

Approximately 200 individual students and at least 25 teams from throughout the United States are expected to participate. Four-year colleges and universities will compete against junior colleges in Men's Pre-service, Men's In-service, Women, and Instructors classifications.

Individual firing will commence Friday at noon with team firing slated for Saturday morning. A barbecue and trophy presentation will follow completion of firing on Saturday.

The concept of intercollegiate pistol shooting is unique and Grossmont College is the only school sponsoring intercollegiate combat shooting on a national basis.

Points To Be Given For Club Activities

There was no guest speaker at the May 4 breakfast-meeting of the Spring Valley Kiwanis Club so a general discussion period was held. Membership chairman Roy Williams said citations of service will be given to members for various club activities and will be given on a point system. Those bringing in new members and attending regularly for six months will receive 60 points. Other regular activities will bring 40 points.

Larry Coons pointed out that most of the meetings have been in the "fellowship" vein and suggested the club concentrate on club activities. As chairman of publicity, Coons said that in June there will be a monthly bulletin distributed and that each week small items will be publicized.

The matter of raising more money for the operation of the club was discussed. It was pointed out that the annual pancake breakfast will be held in October and that there will be

Taught by Gladys Ronney, the classes will begin at 7 p.m. and conclude at 8:30. Dancing will take place at the La Mesa Youth Center, 8440 University Ave., La Mesa.

Big Papa, Chief and Man From

(Continued)

Chief Pat: of school board members a whole lot.

Chief Pat: What ever happened down in that Grossmont District?

Guts OB: I turned their first silly idea down. Then they came back with a two-district plan, and I turned that down. Then they had the nerve to come back with the same plan, and I turned it down again.

Big Papa: Don't they get the message?

Guts OB: No, the still want something to say about what plan they're voting on.

Chief Pat: What happened then?

Guts OB: We turned it over to a special review committee, and darned if that group didn't come back with the same two-district idea. Well, I put the kibosh on that fast, and handed them the plan we wanted all the time — one unified district for the Grossmont area.

Chief Pat: Is that being very democratic?

Guts OB: Sure it's democratic! The people get to vote, don't they? Of course they have only one choice . . . they vote for one big district or nothing.

Chief Pat: Do you think they'll vote for your scheme? All over that county other voters have been voting "NO" on your plan.

Guts OB: I don't know, but Papa's \$15 carrot should help. It's like paying them \$15 for every "YES" vote.

Big Papa: Yeah, and then they'll find out that \$15 carrot means \$15 per child on a foundation program, but when that's figured on an area-wide basis in a new unified district, it could turn out to be a lot less than 15 bucks.

Chief Pat: What if they do vote it down?

Big Papa: Then we'll hit 'em with an election again in two years. I cleverly put that into my bill.

Chief Pat: I've heard rumors that people down there are worried about loss of local control of their schools.

Guts OB: Well, as Papa said before, if we're providing money to run those schools, then we should have the biggest say in how they're run.

Big Papa: I agree! And if we get great, big districts like Grossmont to unify. I have another plan in my sleeve. We can force these big ones to combine with other big ones, and cut down the number of districts even more. Maybe 17 districts is enough for this state. If they get too many kids and teachers, we can decentralize 'em like Chicago.

Guts OB: Good deal, Pop. We'll keep talking about big, efficient districts, and all the time we'll stily be cutting down the number of school board members that keep yapping about local control.

Big Papa: You're so right. These voters might as well know right now that Big Papa is for Big Districts, and that Grossmont will be one of our biggest Districts in California. In this state Papa gets what he wants!

Big Papa and Guts walk happily off stage, gleefully rubbing their hands, while Chief Standing Pat stands watching, scratching his head in a puzzled manner.

Chief Standing Pat: And some folks think the rest of us are dictators!

Bases-loaded Home Run Gives Monarchs Revenge

by Bruce Johnson

A dramatic two-outs bases-loaded home run in the seventh inning by outfielder Dave Miller gave Monte Vista's Monarchs a come-from-behind 6-3 win over Mount Miguel's Matadors in the season-ending Grossmont League baseball game last Friday.

The Monarch won avenged an 11-3 loss to the Matadors in the first round of the league competition. It also placed the Monarchs fourth in the final standings while Miguel ended in a three-way tie for fifth.

Mt. Miguel scored first. The

Matador's Tom Carroll was singled in by Gary Gamet to stake Miguel to a 1-0 lead in the second inning.

Monte Vista scored twice in the next inning. Jim Dierkop tripled to leadoff the inning, and Jeff McCombs reached first base when the Matador catcher dropped a third strike pitch. Gary Ward followed with a double to score both runners.

Miguel went back in front in the fifth with two tallies. Randy Clark's roundtripper with Danny Ashley aboard pushed Miguel in front, 3-2.

In the top of the seventh the

first two Monte Vista batters flew out. Then the Monarch nine began to roar.

Rick Aylward reached first on a fielder's choice, Dierkop singled and McCombs walked to fill the bases.

Miller followed with a four-base blast that put Monte Vista ahead to stay, 6-3.

Mount Miguel failed to score in its last portion of the 1966 prep season.

Bob Forrester hurled the seven innings for a complete-game pitching victory.

The win gave Monte Vista a 7-7 record for Grossmont League competition and 11-11 overall for the year. Miguel was 5-9 and 11-12.

Bill White To Head County All-Star Club

San Diego County preps are counting on Helix High coach Bill White to break their losing streak against the City in the third annual All-Star baseball game at 8 p.m. Saturday, June 18, at Westgate Park.

White, a Spring Valley resident, was named to coach the County team today by the Breitbard Athletic Foundation, sponsors of the game.

White, who will be 36 on the eve of the game, would like nothing better than to celebrate his birthday a day later with the County's first win in an all-star game against the City.

A winning percentage of .697 (115-50) in seven years at Helix High indicates White will have a good chance to apply the "law of averages" and raise the County winning percentage from its current .000 mark.

Graduate Slate Lists Locals

Two years of intensive study at Grossmont College will be climaxed Friday for 28 dental assisting students who will be honored in a capping ceremony scheduled to commence at 7:30 p.m. in the Fine Arts Center.

After the pledge of allegiance and introductions by C. Allen Paul, Grossmont College's Director of Technical-Vocational Education, John S. Hansen, Grossmont College president, will deliver the principal address and accept the class, on behalf of the college from Mr. Paul.

Dr. Robert Prario, chairman of Grossmont College's Dental Assisting Advisory Committee, will conduct the presentation of the caps, assisted by Mrs. Mary Ann Escamilla and Miss Evalyn Ann Mello, Dental Assisting Instructors at the college. The Dental Assistants' Pledge will be administered by Dr. Arthur L. Austin, president, San Diego County Dental Society.

Students receiving their caps and qualifying for the State Boards scheduled for May 21, include: Remes Boyle and Roberta Constantino of Spring Valley and Candace Chappell and Kathleen Gietzen of Lemon Grove.

Chilean-Bred Horse Seeks Third Victory

Rey Tuerto 2nd, who has reeled off two consecutive winning performances for the Vincent Pascarella Stable and registered sparkling times in each of them, has a chance to resume his Mexican campaign in the Alexandria Invitational Handicap at Caliente next Sunday.

The Chilean import was particularly impressive in his most recent appearance when he came off the pace with a strong finish and scored at a mile and 70 yards in 1:40, a mere fifth of a second off the track record.

The Alexandria is over a flat mile, and on the list of those extended invitations by H. E. "Buck" Hopkins, racing secretary, are a majority of the top middle distance runners in the stable area. Chief among them are Hurry Pal, Tail Bone, Plan Ahead and Buonarroti, co-holder of the standard for five and one-half furlongs.

Long Wins Two For Martinizers

Scott Long of One-Hour Martinizing pitched two victories for his club as they won two games in last week's Spring Valley Little League play.

Long shutout Spring Valley Merchants, 10-0, and then pitched the Martinizers to a 10-3 win over Vern's Appliances.

Other scores: during the week were: Jameco's Signal 3, B&W Hardware 2 (7 innings); Bob's Window Cleaning 9, Foster Freeze 1; SV Shopping Center 7, Vern's Appliances 5; B&W Hardware 2, Foster Freeze 1; Bob's Window 5, SV Shopping Center 2; Jameco's Signal 8, SV Merchants 1.

Minors results: Lomita Merchants 8, Pecos Drive 10; Olsen's 9, Gingham Girl 7; Alfonso's Pizza 12, Oscar's 2; Frylings 13, Hickory Pit 7; Lomita Merchants 7, LeMans 2; Alfonso's Pizza 8, Morrie's 6; Hickory Pit 14, Peco's 2; Oscar's 10, Gingham Girl 10; Olsen's 10, Morrie's 10 (tie); LeMans 10, Frylings 6.

Rookie scores: Beef-O-Rama 29, Tony's Barber Shop 6; Major's Shoes 21, Farmer's Insurance 17.

NOTICE OF PROPOSED CHANGE OF ZONE BOUNDARIES OR RECLASSIFICATION
(Lemon Grove Zoning District)

NOTICE IS HEREBY GIVEN that the Board of Supervisors of the County of San Diego will hold a public hearing on Tuesday, May 24, 1966, at 11:00 a.m., in Room 310 San Diego County Administration Center, 1600 Pacific Highway, San Diego, California, on a proposal initiated by the Planning Commission to reclassify all or part of the hereinafter described property in the Lemon Grove Zoning District from C and C-1, Business Zones, to the M Industrial Zone, in accordance with the Zoning Ordinance of the County of San Diego.

Said property comprises about 18 acres in two parcels. The first parcel is located on the east side of Highway 94 Freeway and Federal Boulevard. The southwesterly boundary of said parcel is about 300 feet northeast of the intersection of Federal Boulevard with San Miguel Avenue. The northeasterly boundary is College Avenue. The second parcel is located on the southeasterly side of Federal Boulevard beginning at its intersection with Central Avenue and extending southwesterly therefrom a distance of about 400 feet. The depth of said parcel varies from about 25 feet to about 95 feet.

The County Planning Commission, after holding the hearing required by law, has recommended approval of a change to the M Zone.

For further details reference is hereby made to the recommendation of the County Planning Commission, including a proposed amendatory ordinance submitted by said Commission, and a map showing the proposed change, which are on file in the office of the Clerk of the Board of Supervisors, Room 306 of said Administration Center.

He is 31, lives at 2226 Escondido Ave., San Diego; has been employed by the University of California since 1961, and took office Monday.

Desalted Ocean Water Is Still Experimenter's Dream

(Editor's note: This is the fifth of a series of articles on the San Diego County Water Authority—its operation, history, relationship to water districts and the California Water Plan.)

The time is coming when the ocean will be a prime water supply for the world — but that time is still many years off, water experts agree.

And until then, the same experts report, Southern Califor-

nians must depend on imported water to make green the semi-arid regions of the world.

"De-salted ocean water is every man's ultimate dream," explains Hans H. Doe, secretary of the County Water Authority and CWA director from Vista. "Someday we'll be able to use it. But right now we have to plan for the interim period between the present and the dream."

Importing

"That's why water experts in California are committed to the plan which calls for importing surplus northern water for beneficial use in the south."

Doe said he anticipated that California's growth would be such that by the end of the century "we'll be needing new sources of water — and by then technology will have advanced to the point where de-salting of sea water will be cheap enough to compete."

The present cost of de-salting sea water is estimated about double the cost of importing northern supplies, Doe said. The problem is complicated by the fact that no present de-salting plant is large enough to supply even 2 per cent of present needs of a city the size of San Diego, he added.

Plans Developed

Metropolitan Water District has maintained a position of leadership in development of the art of de-salting. In partnership with the U.S. Department of Interior and the U.S. Atomic Energy Commission, MWD has developed plans for a de-salting plant designed to

produce 150 million gallons of water per day. The plant will be one hundred times bigger than the largest plant existing in the world today.

The U.S. Office of Saline Water has just contracted with the Flour Corp. for the design of a \$7.7 million de-salting module which will represent a one-third cross section of a flash distillation plant capable of producing 50 million gallons of fresh water a day from seawater.

The resulting 50 million module could become one of three modules constituting the ultimate 150-million-gallons-a-day MWD plant.

The \$7.7 million section of a prototype plant will be located near the San Diego Gas and Electric Company's South Bay power plant in San Diego County.

Unification Information Program Set For Friday

Registered voters are invited to attend a discussion of the pro's and con's of the School District Unification Proposal which must be voted on on June 14. The Parent Education section of the Vista La Mesa PTA is sponsoring the meeting, at 9:30 Friday morning, May 13th, in the VLM cafeteria.

Byron Netzeley, Superintendent of the Lemon Grove School District, will present both sides of this proposal. An opportunity for questions will be offered. The issue concerns not only the parents, but all tax-paying citizens as well.

Golfers Vie For County Open Title

The 38th Annual San Diego County Open Golf Championship, sponsored by the San Diego County Golf Association, will be held at El Camino Country Club on Saturday, Sunday and Tuesday, May 21, 22 and 24.

The event is open to all professional golfers in San Diego and Imperial counties and to all amateur golfers with established handicaps at Member Clubs of the San Diego County Golf Association.

The amateur awards are based on the first 36 holes of play and prizes will be awarded following play Sunday afternoon.

Sigma Delta Chi Names Writing Winners

DES MOINES, Iowa — Winners of the first annual Sigma Delta Chi Foundation writing awards competition, with cash prizes totaling \$500 were announced Saturday.

First prize of \$250 was awarded to Prof. Verne E. Edwards Jr., journalism department chairman at Ohio Wesleyan University, for an article entitled, "Let's Revive Newspaper Editorials."

Alan Pritchard, copyreader for the Sacramento (Calif.) Bee, received the second-place award of \$100 for his article on press responsibility. Pritchard formerly was managing editor of the Grand Junction (Colo.) Daily Sentinel.

Three honorable mention awards of \$50 each were made to Jeff Colvin, graduate student at the University of New Mexico; Tucker Sutherland, director of information and services, Texas Daily Newspaper association, Houston, and Don Harrison, a senior at the University of California at Los Angeles.

ANNUAL DANCE

The Cajon de Oro Little League will have its annual dance Friday at Caspers' Ranch Club on North Magnolia in El Cajon, from 9 p.m. to 1 a.m.

Tickets are 50 cents each and may be purchased from members of the league. Proceeds from the ticket sales go to help purchase baseball gear.

Air conditioning sales are expected to reach \$13 million in South Carolina during 1966.

Mother Goose To Honor ASB Leaders

Associated Student Body leaders and class presidents from eight high schools in the East County area will be honored by the directors of the Mother Goose Parade Association at a barbecue which will be held at the Singing Hills Country Club from 4:30 to 7 p.m. Friday, according to Dr. Ralph W. Blodgett, president of the association.

Director Jerry Hollinsworth, who is in charge of the 1966 Princess Contest and who will act as host for the occasion, said there will be informal discussion of the rules and regulations concerning the choosing of the 1966 Princess, Maid of Honor and the Princess Court, all of whom will be young ladies selected from the schools of the area. "No speeches, however," he hastened to add, noting that the Princess contest will not begin until the re-opening of the schools in September.

Representing Mount Miguel High School will be ASB president Mike Kreger, Senior president Ron Coker, Junior president Rick Hoffman and Sophomore president Mary Folk.

Attending from Monte Vista High School will be ASB president Greg Becker, Senior president John Mustol, Junior president Sandy Rowin and Sophomore president Jeff Unsicker.

MV Student Awarded \$1,000 Scholarship

A \$1000 scholarship award has been won by Miss Patricia Doran, a senior at Monte Vista High School in Spring Valley, from the national headquarters of the Junior Army Navy Guild Organization, commonly known as JANGO.

Patty, the second oldest of ten children, lives with her parents, Mr. and Mrs. Daniel O. Doran, at 9525 Barbic Ln., Spring Valley.

The money, which is the largest amount ever received by a JANGO in this area, will be used for tuition at the University of San Francisco School of Nursing where Patty has been accepted to start her training in September.

Patty became a JANGO three years ago and has been very active, having served as treasurer and is presently president of the group which can be seen in pretty red, white and blue uniforms, cheerfully helping the patients at the San Diego Naval Hospital.

The purpose of JANGO is to form a link between service personnel and the community, to provide a feeling of loyalty and togetherness among service families, and to provide teenage girls an opportunity for training in community service.

The JANGO scholarships are based on individual need and grades established in school. Patty has received excellent grades and has also found time to be a member of the Monte

Vista High School Marching Band and a volunteer usher at the Old Globe Theater.

Another member of the Doran family, brother Danny, received considerable attention recently when he received a successful corneal transplant at the Naval Hospital, San Diego.

Choral Club To Perform

The San Diego Choral Club, directed by Mrs. Grace Erickson and accompanied by Mrs. Donna Bernd, will present its 28th Annual Spring Concert Friday at 8:15 p.m. in the House of Hospitality, Balboa Park, Mrs. Joseph Agilar, concert chairman, has announced.

Featured guest soloist will be Miss Karen Noble, soprano, winner of the 1966 Choral Club Inez Davenport Vocal Scholarship.

Spring Valley resident Mrs. Ronald Lucas sings with the Choral Club. There is no admission charge and the public is cordially invited to attend.

Rotarians To Hear Miguel Stage Band

Mt. Miguel Stage Band has been invited to play for the Annual California-Nevada Rotary Convention being held at the El Cortez Hotel Friday, as part of the evening entertainment, along with the San Diego State College Men's Chorus.

Dr. Robert Fleury of the Los Angeles area heard the Stage Band perform at the Fontana Festival, judged by Skitch Henderson, and in his capacity as head of the entertainment committee for the Rotary Club contacted Mt. Miguel's director Lawrence Curtis to secure the band for the convention.

Mt. Miguel Marching Meters will also take part in the Lemon Grove Old Timers Parade May 21.
